## LANGUAGE SKILLS

SPANISH: Fluent in writing and speech  
ENGLISH: Fluent in writing and speech  
SPANISH: Fluent in writing and speech  
GERMAN: Basic level

## LEISURE INTERESTS

I am a geek at heart, so I can often be found tinkering with new technologies and frameworks, increasing my IT-vocabulary. Apart from technology I consider myself a moviebuff, with a passion for Spaghetti-westerns and I am a huge nerd when it comes to sampling in music, and I can talk for hours about sampling, once you get me started. Of outdoor activities I prefer a quick game of pickup basketball, or just reading a book in the sun.
